Essential Foundations of Economics, Student Value Edition Plus Mylab Economics with Pearson Etext -- Access Card Package (Loose-leaf)

By Robin Bade, Michael Parkin

Pearson, United States, 2017. Loose-leaf. Condition: New. 8th ed. Language: English. Brand new Book. NOTE This edition features the same content as the traditional text in a convenient, three-hole-punched, loose-leaf version. Student Value Editions also offer a great value; this format costs significantly less than a new textbook. Before purchasing, check with your instructor or review your course syllabus to ensure that you select the correct ISBN. Several versions of MyLab(TM) and Mastering(TM) platforms exist for each title, including customized versions for individual schools, and registrations are not transferable. In addition, you may need a Course ID, provided by your instructor, to register for and use MyLab and Mastering platforms. For courses in Economics. This package includes MyLab Economics. An engaging, practice-oriented approach to understanding core economic principles Essential Foundations of Economics , 8th Edition introduces readers to the economic principles they can use to navigate the financial decisions of their futures. Each chapter concentrates on a manageable number of ideas, usually 3 to 4, with each reinforced several times throughout the text. This patient approach helps guide individuals through unfamiliar terrain and focus them on the most important concepts. The text does four core things to help readers grasp...
